

Vote For Diversity – 365 Days a Year!

Get involved in the 12th German Diversity Day (#GDD24) and promote the idea of diversity in your team, your organization and society through with public or internal campaigns. Use this opportunity to demonstrate the power of your #VoteForDiversity and for democracy in your region.

The #GDD24 will take place on 28th of May 2024 under the motto: „Vote For Diversity - 365 Days a Year“.

The German Diversity Day serves as an offer and format to raise awareness of diversity in the world of work, to reduce prejudice and to promote inclusive working environments in Germany. In times of where democratic values are at risk, it is more important than ever to work together for diversity and against discrimination.
